RESIDENCE HALL POLICIES

In following Regents' policy, Northern Oklahoma College believes that the experience of living in college housing is important to a student's education. Therefore, just as there are required courses, *all students are required to live in college housing to the extent that facilities are available with the following exceptions:*

- 1)** Those students living with parents or other relatives in Enid.
- 2)** Those students commuting from their parents' or other relative's residence outside Enid.
- 3)** Students who are 21 years of age or older.
- 4)** Married students.

Any student who feels exceptions would apply to his/her circumstance and who wishes to be released from the requirements to live on campus must contact the Vice President for Student Services prior to moving off campus.

- A \$60 room deposit charge must accompany each application. The room deposit will be refunded at the end of your stay at Northern, provided all your keys have been returned, your bill is paid in full and there are no room damages. Cancellation must be made three weeks prior to the beginning of each semester for a refund of the \$60 deposit. If a situation develops after the start of school which may be cause for cancellation, please notify the Office of Student Services. **This application is invalid without the \$60.**
- This contract does not include payment for room or food service during official college vacations (such as Thanksgiving, Christmas and Spring Break) during which halls will be closed.
- The college may reassign or adjust occupancy of rooms in order that the rate of occupancy may be maximized.

I will OR will not have a car on campus.
